Article II

Purchase and Sale of Tier-1 Renewable Energy Certificates

Section 2.01. On the terms and subject to the conditions of this Agreement, Seller agrees to sell, assign, convey, deliver and Transfer to NYSERDA, and NYSERDA agrees to purchase from Seller, all right, title and interest in the Tier-1 RECs associated with the Quantity Obligation generated by the [Bid Facility/Upgrade/Repower] and delivered to the Delivery Point during each month of the Contract Delivery Term.

Section 2.02. Such right, title and interest shall include perpetual and exclusive rights to the Tier-1 RECs and the underlying attributes, including but not limited to the exclusive rights to claim or represent, consistent with New York State Environmental Disclosure rules: (a) that the energy associated with Tier-1 RECs was generated by the Bid Facility; and (b) that New York State and/or the RES Program is responsible for the environmental benefits including reductions in emissions and/or other pollution or any other environmental benefit resulting from the generation of the energy associated with the Tier-1 RECs. For the avoidance of doubt, the only products Seller is selling and NYSERDA is buying under this Agreement are Tier-1 RECs and all rights, title, and interest associated with them. Seller is not selling to NYSERDA and NYSERDA is not purchasing any electric energy, capacity, or ancillary services associated with the Bid Facility.

Section 2.03. Seller shall transfer the Tier-1 RECs to the NYSERDA NYGATS Account via a Forward Certificate Transfer on a monthly basis in a percentage equal to the Bid Quantity Percentage. At the time of Transfer by Seller to NYSERDA, the Tier-1 RECs shall be free and clear of all liens, judgments, encumbrances and restrictions.

Section 2.04. [Reserved]

Section 2.05. In the event that Seller becomes entitled to or must apply for or take some other action under any emission-trading, emissions recordation or other regime other than the RES in order to secure a claim, title, credit, ownership, or rights of any type, nature or sort ("Title") to any attributes associated with the Tier-1 RECs, or any certification, registration, verification or other memorialization of the creation of such attributes by the Bid Facility to which Seller may be entitled, Seller shall (a) notify NYSERDA of such opportunity; and, if requested to do so by NYSERDA, Seller shall (b) take all actions necessary to apply for and secure such Title, to the maximum extent to which Seller is entitled; (c) provide NYSERDA with evidence of taking such action; and (d) convey such Title to NYSERDA whenever so secured.

Section 2.06. NYSERDA's obligations under this Agreement are expressly conditioned on the Bid Facility, from the Effective Date through completion of the Contract Delivery Term, (a) qualifying as a "Renewable Energy System" as defined on the Effective Date in § 66-p(1)(b) of the Public Service Law, and (b) complying with the "Additional Eligibility Requirements" identified in Appendix A of the 2016 CES Order. NYSERDA and/or its designee shall have reasonable access to the Bid Facility for the purpose of verifying the continuing eligibility of the Bid Facility and its operation. NYSERDA's obligation to purchase Tier-1 RECs under this Agreement will not be reduced or eliminated if the above-referenced definition of "Renewable

Energy System” or the “Additional Eligibility Requirements” are changed after the Effective Date in a manner that renders the Bid Facility unable to comply.

Section 2.07. Commercial Operation Milestone Date. NYSERDA’s obligations to purchase Tier-1 RECs and to make payment under this Agreement are conditional on the commencement by the Bid Facility of Commercial Operation at a minimum of 80% of the Bid Capacity on or before the Commercial Operation Milestone Date. The Commercial Operation Milestone Date shall be as stated in Schedule 2 of this Agreement. Seller may elect to extend the Commercial Operation Milestone Date pursuant to Article XV.

Section 2.08. NYSERDA shall be free to sell, assign, transfer or otherwise subject to any encumbrance, any of the Tier-1 RECs NYSERDA acquires under this Agreement, at any time and from time to time, to any entity and on such terms and conditions as NYSERDA may desire. Any financial or other consideration received by NYSERDA from any such action shall inure solely to NYSERDA’s benefit, to be applied as determined by NYSERDA as the central procurement administrator of the RES Program or a successor and shall not affect Seller’s rights or obligations under the terms of this Agreement.

The Actual Production and Actual Production of the Bid Facility must be capable of accurate and verifiable measurement at the Injection Point by the local ISO, transmission utility, public authority, or municipal electric company, through a Dedicated Generation Meter as described in Section 2.10 of this Agreement. Unless specifically agreed to by NYSERDA in writing, the Bid Facility must be separately metered and must be functionally represented by a single and discrete Injection Point.

Section 2.10. Dedicated Generation Meter. Seller must provide, install, and maintain a Dedicated Generation Meter at the Injection Point that shall comply with the requirements and standards stated in the NYGATS Operating Rules at Section 5.3. Revenue Metering Standards. Data collected from the meter will be available to NYSERDA and will be used by NYSERDA to verify the monthly Actual Production.

Article III

Bid Facility Electricity Delivery Requirements.

Section 3.01. Bid Facilities in the NYCA. The electricity associated with the Tier-1 RECs for Bid Facilities located within the NYCA must be either:

- (a) delivered into a market administered by the NYISO for end-use in New York State; or
- (b) delivered through a wholesale meter under the control of a utility, public authority, or municipal electric company such that it can be measured, and such that consumption within New York State can be tracked and verified by such entity or by the NYISO; or
- (c) delivered through a Dedicated Generation Meter, in accordance with Section 2.10.

Section 3.02. External Bid Facilities. [The electricity associated with the Tier-1 RECs for Bid Facilities in control areas adjacent to the NYCA shall be scheduled, transmitted, delivered to and settled in the NYISO energy market in each hour, and be accompanied with documentation of a unit-specific contract path between the Injection Point in the control area of origin to the Delivery Point in New York that includes the provision of transmission or transmission rights for delivering the generation via the NYISO using the North American Electric Reliability Corporation (NERC) tag fields Sending and Receiving Control Areas (CA) and Purchasing/Selling Entity (PSE) Name and Number. Compliance with this Delivery Requirement shall be verified by NYGATS, which requires an attestation from the importer that the information contained in the NYISO schedule is accurate and that the electricity associated with the import is being delivered solely from the selected resource. Seller shall provide, at NYSERDA's request, the NERC tag information from the OATI (Open Access Technology International) System or the NY JESS Contract ID from the Joint Energy Scheduling System (JESS) listing the External Bid Facility name as the Source for the scheduled and transmitted electricity from the External Bid Facility into the NYISO. The Tier-1 RECs must follow the NYGATS Operating Rules for Unit-Specific Imports of Energy and Attributes under the Energy Scheduled and Delivered methodology. The number of Unit-Specific Import Certificates that will be created will be the lesser of the hourly energy schedule of the import, or the hourly meter reading of the Bid Facility.]

Section 3.03. Bilateral Sales. Nothing in this Agreement shall be read to prohibit bilateral sales by Seller for electric energy, capacity, or ancillary services produced by the Bid Facility. Tier-1 eligible electric energy from the Bid Facility sold on a bilateral basis will produce Tier-1 RECs and NYSERDA will purchase such Tier-1 RECs in accordance with Article II of this Agreement, provided that the energy is delivered into the NYCA in accordance with this Article.

Article IV

Pricing and Payment

Section 4.01. [Determination of Monthly REC Price for Index REC.]

(a) For a Bid Facility selected on the basis of an Index REC Price bid, the Monthly REC Price shall equal the Index REC Strike Price minus the Reference Energy Price minus the Reference Capacity Price, subject to the condition that the Monthly REC Price may not exceed the Index REC Strike Price.

(i) The Index REC Strike Price, for each month in the applicable Contract Year shall be as stated in Schedule 1 of this Agreement[, and as may be modified pursuant to Section 5.02(e) of this Agreement].

(ii) The Reference Energy Price for each month shall be calculated by NYSERDA using data published by NYISO for its day-ahead energy market. NYSERDA shall:

(A) identify the location-based marginal price ("LBMP") for each hour of the month in the Applicable Zone; and

(B) take the simple (not load-weighted) average of each such hourly LBMP to determine the Reference Energy Price.

(iii) The Reference Capacity Price for each month shall be calculated by NYSERDA using data published by NYISO for its monthly spot market unforced capacity (“UCAP”) prices. NYSERDA shall:

(A) identify the UCAP price (in dollars per kW-month) for such month in the Applicable Zone (“Reference UCAP Price”);

(B) take the product of:

(1) the Reference UCAP Price (\$/kW-month);

(2) the UCAP Production Factor for the Winter Capability Period or the Summer Capability Period, as applicable, that was submitted by Seller in its Bid Proposal and as stated in Schedule 1 of this Agreement;

(3) the Installed Capacity (MW); and

(4) a conversion factor of 1,000 kW/MW.

(C) divide the total amount of dollars calculated in (B) by the total amount of Tier-1 RECs produced from the Bid Facility for such month (including any Tier-1 RECs produced in excess of the Annual REC Cap or otherwise not committed for sale to NYSERDA under this Agreement) to determine the Reference Capacity Price.

(D) In any month in which NYISO subjects the Applicable Zone to buyer-side mitigation in a manner that has the effect of excluding one or more generators eligible under Tier-1 of the CES from participating at their full capacity in the NYISO Capacity Market for the Applicable Zone, the Reference Capacity Price shall be multiplied by a Mitigation Factor. The Mitigation Factor shall be calculated as the percentage of UCAP offered in the Applicable Zone and Applicable Class Year by Qualified Renewable Exemption Applicants, as defined in the NYISO Services Tariff Att. H, that has been determined to be exempt from the Offer Floor requirement imposed by the NYISO Services Tariff Att. H, Section 23.4.5.

(b) The following formulae depict the calculation of the Monthly REC Price in accordance with Section 4.01(a).

$$\text{Monthly REC Price} = SP^{\text{Index}} - \text{REP} - \text{RCP} \times \text{MF}$$

where:

$SP^{Index} = \text{Index REC Strike Price (\$/MWh)}$

$REP = \text{Reference Energy Price (\$/MWh)}$

$RCP = \text{Reference Capacity Price (\$/MWh)}$

$MF = \text{Mitigation Factor (\%)} \text{ (if applicable)}$

The calculation of each month's Reference Capacity Price will be based on a Reference UCAP Price. The Reference UCAP Price is converted to its \$/MWh equivalent, the Reference Capacity Price, through the following equation.

$$RCP = (RUP \times UPF \times IC \times 1,000) / \text{Total RECs}$$

where:

$RUP = \text{Reference UCAP Price (\$/kW-month)}$

$UPF = \text{UCAP Production Factor (decimal fraction) for the Summer Capability Period or Winter Capability Period as applicable}$

$IC = \text{Installed Capacity of the Bid Facility (MW)}$

$\text{Total RECs} = \text{Total Number of Tier-1 RECs produced by the Bid Facility in the subject month (MWh)}$

$1,000 = \text{kW to MW conversion factor}$

Section 4.02. [Determination of Monthly REC Price for Fixed REC.]

(a) For a Bid Facility selected on the basis of an Fixed REC Price bid, the Monthly REC Price shall equal the Fixed REC Price for each month in the respective Contract Year as stated in Schedule 1 of this Agreement, and as may be modified pursuant to Section 4.02(b) or Section 5.02(e) of this Agreement.

(b) As directed in the Index REC Order,⁴ in the event that a New Carbon Price Mechanism applies to electric generation consumed in New York State, NYSERDA shall reduce the Monthly REC Price prospectively for any Seller selected on the basis of a Fixed REC Bid Proposal ("Fixed REC Carbon Price Adjustment").

(i) For purposes of this Agreement a "New Carbon Price Mechanism" is a New York State, NYISO, or federal statute, regulation, rule, order, or policy enacted or promulgated after the submission of the Bid Proposal that applies to electric generation consumed in New York State and that imposes a discernible economic cost on electric generators that is based upon and is quantified in direct proportion to their emissions of

⁴ Index REC Order at 20.

carbon dioxide and/or other GHGs. The term “New Carbon Price Mechanism” may include, but is not limited to (A) the imposition of any fee, adder, or tax applied to emissions of GHGs, and (B) a policy that caps emissions of GHGs and facilitates the exchange of emissions allowances, the price of which may be discerned from publicly-available data (“Cap and Trade Program”). For the avoidance of doubt, RGGI predates the Bid Proposal and, therefore, neither New York’s continued participation in RGGI, nor any programmatic changes to RGGI that occur after the submission of the Bid Proposal shall be considered a New Carbon Price Mechanism.

The Fixed REC Carbon Price Adjustment shall be applied on the first day of the first month after the date on which the New Carbon Price Mechanism takes effect and shall last until the cessation of the New Carbon Price Mechanism or the end of the Contract Delivery Term, whichever comes first.

The Fixed REC Carbon Price Adjustment shall be calculated by NYSERDA no less than annually, based on a 12-month period that NYSERDA may select in its reasonable discretion; provided, however that if NYISO publishes data that readily facilitate monthly calculation, NYSERDA shall calculate the Fixed REC Carbon Price each month and apply it to the Monthly REC Price.

The value of the Fixed REC Carbon Price Adjustment shall be determined as follows:

(A) If NYISO calculates the carbon impact on LBMP (“LBMP_c”), the Fixed REC Carbon Price Adjustment for each month shall be the generation-weighted LBMP_c in the Applicable Zone or, if the Carbon Price applies to external resources, at the Proxy Generator Bus as defined in Section 2.16 of the NYISO Market Administration and Control Area Service Tariff; or

(B) If NYISO does not calculate the carbon impact on LBMP, the Parties shall amend this Agreement in a manner that provides for calculating the Fixed REC Carbon Price Adjustment using available data and in a manner that reasonably fulfills the directive in the Index REC Order that the incremental revenue associated with a New Carbon Price Mechanism be deducted from the Fixed REC price. The value of RGGI allowances shall not be included in the calculation of the Fixed REC Carbon Price Adjustment and shall not be deducted from the Fixed REC price.

(c) NYSERDA shall deduct the Fixed REC Carbon Price Adjustment from the Fixed REC Price in order to determine the Monthly REC Price. However, for any month in which the Fixed REC Carbon Price Adjustment exceeds the Fixed REC Price, the Monthly REC Price shall be zero.]

Section 4.03. Invoices.

(a) Within fifteen (15) days after the conclusion of each month, NYSERDA shall inform

Seller of the Monthly REC Price for that month.

(b) Seller shall submit monthly invoices throughout the Contract Delivery Term of this Agreement for the Tier-1 RECs transferred by Seller into the NYSERDA NYGATS Account and associated with the Actual Production in the prior month during the Contract Delivery Term. Payments will commence after the Bid Facility achieves Operational Certification, retroactive to the commencement of the Contract Delivery Term. Invoices for the prior month shall not be submitted before the fifteenth (15) day of the following month; invoices submitted before the fifteenth (15) day of the following month shall not be considered proper invoices for purposes of NYSERDA's Prompt Payment Policy. Invoices shall be submitted electronically to NYSERDA's online invoice system at: <https://services.nyserda.ny.gov/Invoices/> or, if this Bid Facility is managed through NYSERDA's Salesforce application, via NYSERDA's Salesforce Portal with Seller's log-in credentials. Invoices shall include a statement of the amount due and payable by NYSERDA to Seller, which amount shall be calculated by multiplying the Monthly REC Price provided by NYSERDA by the Actual Production for the prior month. Invoices must reflect the quantity of Tier-1 RECs Transferred to the NYSERDA NYGATS Account for the prior month. NYSERDA shall have no obligation to pay any Invoice submitted more than two (2) months after Transfer of Tier-1 RECs for which payment is requested. Invoices must be accompanied by information and data, as specified in Section 6.01, sufficient for NYSERDA to verify compliance with the Bid Facility Electricity Delivery Requirements (Article III) and other requirements as may be outlined in this Agreement.

Section 4.04. Payment.

(a) The amount payable in a given month shall be calculated as the lesser of: (i) the multiplicative product of (A) the Actual Production of the Bid Facility during the prior month; (B) the Bid Quantity Percentage; and (C) the Monthly REC Price, and (ii) the number of Tier-1 RECs Transferred into the NYSERDA NYGATS Account during the prior month multiplied by the Monthly REC Price. NYSERDA will not pay for Tier-1 RECs beyond one hundred and twenty percent (120%) of the Bid Quantity for any Contract Year.

(b) Payments will commence after the Bid Facility achieves Operational Certification, retroactive to the commencement of the Contract Delivery Term. NYSERDA agrees to grant or deny Operational Certification within thirty (30) days after Seller has submitted a fully complete Operational Certification application demonstrating Tier-1 eligibility and the Bid Facility is registered in NYGATS.

(c) If, for any month, the amount payable to Seller is a negative amount because the Monthly REC Price for that month was negative, NYSERDA shall make no payment to Seller for that month and instead shall record a debit in such amount ("Monthly Debit"). Any Monthly Debit shall be deducted from each subsequent month's payment by NYSERDA until the Monthly Debit is fully recovered. Any Monthly Debit that goes unrecovered for twelve months shall be settled by Seller in cash within thirty (30) days after the conclusion of such twelve-month period, except that all Monthly Debits

outstanding at the conclusion of the Contract Delivery Term shall be settled by Seller in cash within thirty (30) days after the conclusion of the Contract Delivery Term.

Section 4.05. Prompt Payment Policy. NYSERDA will make payments to Seller in accordance with and subject to its Prompt Payment Policy Statement, attached hereto as Exhibit C. Such payments shall be made by check or wire transfer to an account designated by Seller. NYSERDA shall have no obligation to pay any invoice not accompanied by all information requested by NYSERDA in accordance with Section 6.01.

[Section 4.06. Changes in Law.

(a) In the event that a change in Applicable Law after the Effective Date changes, or on the date such change takes effect (“Change in Law Date”) will change, the price structure or methodology, settlement, zonal structure, or terminology used in either the NYISO Energy Market or NYISO Capacity Market such that the calculation of Reference Energy Price or Reference Capacity Price becomes impossible or no longer reasonably reflects the objective of providing a market-based index of energy and/or capacity prices in the Applicable Zone, in each case as they existed on the Effective Date, the Parties shall negotiate in good faith to amend this Agreement, prospective from the Change in Law Date, to make such conforming changes as are necessary to achieve that objective.

(b) In the event that a change in Applicable Law after the Effective Date eliminates the NYISO Capacity Market entirely and without replacement, the Parties agree the Reference Capacity Price shall be zero. In the event that a change in Applicable Law after the Effective Date replaces the NYISO Capacity Market with a new resource adequacy construct, the Parties agree to negotiate in good faith to amend this Agreement, prospective from the Change in Law Date, to make such conforming changes as are necessary to replace the current Reference Capacity Price formula with a formula that reasonably comprises an index of prices available to generators in the Applicable Zone under the new resource adequacy construct.]

Article V

Adjustments

Section 5.01. True-Up Adjustments. NYSERDA may (and, at the request of Seller, shall) review past invoices, including, but not limited to, the calculation of the Monthly REC Price to determine if a true-up adjustment is necessary. If necessary, NYSERDA shall adjust, including by means of set-off, payments to subsequent invoices consistent with adjustments by NYGATS based on NYISO or other local control area billing settlement true-up procedures, based on actual metered production data measured at the Delivery Point, actual and verified data reflecting compliance with the electricity delivery requirements set forth in Article III, and/or based on the number of RECs transferred.

Section 5.02. Other Adjustments. NYSERDA may adjust its contractual Payment obligations under this Agreement under the following circumstances:

(a) For External Bid Facilities, NYSERDA may adjust amounts payable to Seller to reflect any costs borne by NYSERDA, if any, for participation in any renewable energy attribute accounting system operating in the Bid Facility's local control area, including all fees and charges, if any, for the delivery, registration and/or retirement of the attributes or certificates in such renewable energy attribute accounting system.

(b) Should Seller fail to Transfer Tier-1 RECs to the NYSERDA NYGATS Account in a number at least 80% of the Bid Quantity, less any Excused Production, for three (3) consecutive Contract Years, NYSERDA may at its option upon Notice to Seller, modify this Agreement by adjusting the Bid Quantity for the remainder of the Contract Delivery Term to an amount equal to the highest Actual Annual Production during any Contract Year over that three-year period multiplied by the Bid Quantity Percentage.

(c) Should Seller fail to reasonably demonstrate that the total dollar amount of Incremental Economic Benefits having accrued to New York as a result of the development, construction, modification, and operation of the [Bid Facility/Upgrade/Repower from the RESRFP21-1 Launch Date] through the end of the first three (3) Contract Years of operation (Verified Total Dollars), divided by Installed Capacity, is at least 85% of Expected Total Dollars divided by the Bid Capacity, NYSERDA may at its option upon Notice to Seller, modify this Agreement by reducing the Monthly REC Price payable for the remainder of the Contract Delivery Term. Such reduction in the Monthly REC Price will be made by an amount equal to the percentage shortfall between the Verified Total Dollars divided by the Installed Capacity compared to the Expected Total Dollars divided by the Bid Capacity.

(d) Should the Installed Capacity differ from the Bid Capacity, Seller agrees that NYSERDA may at its option upon Notice to Seller modify the Contract by adjusting the Bid Quantity, Bid Quantity Percentage, or other relevant terms to reflect the Installed Capacity.

(e) [For Bid Facilities that include an Energy Storage Component, should the Energy Storage Component not reach Commercial Operation at the full Bid Storage Capacity (MWh) on or before the Commercial Operation Milestone Date, NYSERDA may, upon Notice to Seller, reduce the Index REC Strike Price or Fixed REC Price, as applicable, by an amount equal to the difference between the Index REC Strike Price or Fixed REC Price, as applicable, proposed by Seller for the Bid Facility with Energy Storage Component and the Index REC Strike Price or Fixed REC Price, as applicable, proposed by Seller for the Bid Facility without the Energy Storage Component ("Energy Storage Component Price Reduction Amount"). The Energy Storage Component Price Reduction Amount shall be as stated in Schedule 1 of this Agreement.]

Article VI

Records, Reports and Other Seller Commitments

Section 6.01. Provision of Data.

(a) Seller shall, at NYSERDA's request, provide NYSERDA access to generation and delivery data, including detailed monthly market accounting settlement or other pertinent data from the administrator(s) of the energy market into which energy from the Bid Facility was delivered, from the entity or party in control of any meter through which the energy associated with the Quantity Obligation was delivered, and from the administrator of any attribute accounting system operating in such control area. Seller may be required to waive confidentiality, as to NYSERDA, for the direct transfer to NYSERDA by an energy market administrator or the operator of the transmission and/or distribution system into which the energy from the Bid Facility is delivered of transactional and/or delivery information and data pertinent to the verification of attribute creation and electricity delivery. [Where appropriate, Seller must also provide a Monthly Fuel Report documenting how the Seller has complied with the rules in the order.]

(b) [Energy Storage Performance Metrics]. For projects that include Energy Storage: Consistent with VII. Measurement and Verification of the Program Manual for the Bulk Energy Storage Incentive Program⁵, NYSERDA will require 15-minute interval data to assess the carbon impact from the Energy Storage. A NYSERDA quality assurance contractor to be identified by NYSERDA shall be provided interval data showing 15-minute charge and discharge data from the Energy Storage through an automated data transfer. This shall be established at Operational Certification, and this data shall be provided for at least five years. During the Contract Delivery Term NYSERDA will request an annual report describing the services the Energy Storage provided to the NYCA during the previous year.]

(c) Upon commissioning of the Bid Facility, Seller agrees to make commercially reasonable efforts to work with NYSERDA to validate a final accounting of the Bid Facility's (i) carbon footprint and (ii) energy and carbon payback periods. Seller further agrees to public disclosure of NYSERDA's determination of the Bid Facility's carbon footprint, and energy and carbon payback periods.

Section 6.02. Progress Reports/Material Change.

(a) Beginning on the first such date following the Effective Date, and continuing through the commencement of the Contract Delivery Term, Seller shall provide quarterly written Progress Reports to NYSERDA, no later than March 1 (for the preceding period of November 16 through February 15), June 1 (for the preceding period of February 16 through May 15), September 1 (for the preceding period of May 16 through August 15), and December 1 (for the preceding period of August 16 through November 15), which

reports shall be in electronic form, through a method specified by NYSERDA, and which shall describe at a minimum (1) Seller's progress in obtaining and securing all required environmental or other permits and/or local approvals; (2) the status of all development and/or construction planning or activities with regard to the Bid Facility, including the status of Payment-in-lieu of Taxes (PILOT)/Host Community Agreement (HCA) negotiations, site diligence, and financing; (3) the status of the interconnection process between the Bid Facility and the administrator of the control area; (4) purchases, delivery, and/or installation of any major equipment associated with the Bid Facility; (5) an estimated date for Commercial Operation; (6) on a form to be provided by NYSERDA, information relating to the employment on the Bid Facility as both contractors and sub-contractors of Minority and Women-Owned Business Enterprises ("MWBEs") and Service-Disabled Veteran-Owned Businesses ("SDVOBs") registered with the Department of State,⁶ including identifying information for of such firms, the expenditure on such firms, and the time period in which such firms were engaged; and (7) such information as NYSERDA may reasonably request from time to time to identify and substantiate the economic benefits of the Bid Facility to Disadvantaged Communities, including but not limited to project spending by function and geographic area, the employment of contractors and subcontractors with a principal place of business in Disadvantaged Communities, and the hiring of workers that reside in Disadvantaged Communities. Such reports shall also include an updated project schedule with key milestones identified, copies of any permits or approvals granted and/or copies of any correspondence of any type denying or refusing any permit or approval. Upon NYSERDA's request, Seller shall also provide an independent engineer's or similar third party's assessment of the long-term expected energy production of the Bid Facility. Seller shall notify NYSERDA within ten (10) days of any event that could reasonably cause a material delay in any of the activities listed above. During the Construction Period, Seller shall include with each Progress Report either (a) a written attestation prepared by a New York State independent certified public accountant or other qualified party, in a form to be agreed upon, confirming that Seller is in compliance with the Prevailing Wage requirement set forth in Section 18.10 or (b) a written certification signed by Seller's contractor providing construction services for the Bid Facility, certifying that such services were performed in compliance with the Prevailing Wage requirement set forth in Section 18.10 (See Sections 4.04 and 18.10).

(b) Seller shall continue to report on items 6.02(a)(6) and 6.02(a)(7) above during the period between the commencement of the Contract Delivery Term and submittal of the Economic Benefits Report.

Section 6.03. Community Outreach. Each Progress Report shall include detail regarding the status of any ongoing communication with host communities and local governments, including community outreach events, open houses, town/planning board meetings, progress achieved in accordance with the community outreach plan provided in the Bid Proposal, status of organized support and opposition groups, and identification of potential host community issues.

Section 6.04. Economic Benefits Report. Within ninety (90) days of the third anniversary of the commencement of the Contract Delivery Term, Seller shall submit an economic benefits report prepared by a New York State independent certified public accountant, demonstrating the actual Incremental Economic Benefits that resulted from the construction and operation of the Bid Facility. To fulfill this requirement, Seller's independent certified public accountant will be required to prepare an "agreed upon procedures" report in accordance with the procedures outlined in the Economic Benefits Audit Protocol and Economic Benefits Verification Standards that were released with the Notice of Qualification provided to Seller. The Economic Benefits Audit Protocol will serve as a requirements document to guide the independent audit, allowing auditors to understand the process they are asked to perform. The Economic Benefits Verification Standards will define valid expense claims and standardize submission and documentation processes and best practices. The audit will verify the economic benefits created by the Bid Facility under the categories and within the eligibility requirements listed in RESRFP21-1. The Economic Benefits Report will be funded at Seller's expense.

Section 6.05. Additional Documents. Within sixty (60) Business Days of Notice of Award under RESRFP21-1, Seller shall provide to NYSERDA:

- (a) certificates, dated as of the most recent practicable date prior to the Effective Date, issued by the [jurisdiction of Seller's organization] Secretary of State confirming the corporate good standing of Seller;
- (b) a certificate of an appropriate officer of Seller, dated as of the most recent practicable date prior to the Effective Date, in form and substance reasonably satisfactory to NYSERDA and certifying: (i) the names and signatures of the officers of Seller authorized to sign any documents to be delivered hereunder, and (ii) the accuracy and completeness of resolutions of Seller, authorizing and approving all matters in connection with the transactions contemplated thereby.

Seller shall promptly provide NYSERDA with updated and corrected versions of the above-referenced certificates upon any change in the information provided therein.

Section 6.06. Maintenance of Records. Seller shall keep, maintain, and preserve throughout the term of this Agreement and for a period of seven (7) years following the expiration of this Agreement, full and detailed books, accounts, and records pertaining to Seller's performance under the Agreement, including without limitation, all bills, invoices, payrolls, subcontracting efforts and other data evidencing, or in any material way related to, the direct and indirect costs and expenses incurred by Seller in the course of such performance. The foregoing records may be kept, maintained, or preserved on any information storage device, or one or more electronic networks or databases, provided that such records can be converted into clearly legible form within a reasonable time. Seller may destroy or otherwise dispose of a record falling within the scope of this Section no earlier than seven (7) years following the creation thereof with the written consent of NYSERDA, such consent not to be unreasonably withheld.

Section 6.07. Site Control. Unless otherwise agreed to by NYSERDA in writing, within one hundred and ninety (190) days of the Award Notification Date, Seller shall provide documentation demonstrating rights-of-way or full control of the acreage needed for any

interconnection facilities, and, should the Bid Facility site acreage exceed fifteen (15) acres, documentation demonstrating full control of the Bid Facility site acreage.

Section 6.08. [Energy Storage Technical Working Group. Seller or an appropriate representative of Seller shall reasonably participate in an Energy Storage Technical Working Group (ES TWG) as requested by NYSERDA. This may include participating in meetings and engaging with other relevant stakeholder groups within the ES TWG regarding the Bid Facility and Energy Storage.]

Section 6.09. [Energy Storage Interconnection. Within 90 days of the Award Notification Date, Seller shall provide documentation demonstrating an Interconnection Request has been submitted and associated fees paid. The Interconnection Request will be consistent with the Bid Storage Capacity and Energy Storage as proposed to NYSERDA.]

Section 6.10. Specific Disadvantaged Community Commitments.

- (a) Seller agrees to fulfill all specific Disadvantaged Community Commitments identified in the Proposal, which shall include:

[Include description of each Disadvantaged Community Commitment contained in the Bid Proposal]

- (b) With NYSERDA's consent, Seller may substitute a Disadvantaged Community Commitment identified in Section 6.10(a) with a substitute Disadvantaged Community Commitment of equal or greater value to Disadvantaged Community(ies) in New York State.
- (c) Should Seller fail to fulfill any Disadvantaged Community Commitment it is obligated to fulfill under Section 6.10(a) or 6.10(b), Seller shall make payment to NYSERDA in the amount of the unfulfilled dollar value of such commitment no later than sixty (60) days after the Commercial Operation Date or the date identified in such commitment, whichever is later.

Section 6.11. Agricultural Mitigation Payment. Seller agrees to make the Agricultural Mitigation Payment to a fund designated by NYSERDA within sixty (60) days of the date upon which the Bid Facility is granted Operational Certification. The final amount of the Agricultural Mitigation Payment shall be determined by NYSERDA in cooperation with Seller through the Operational Certification process.

Article VII

Audit

Section 7.01. Audit. NYSERDA shall have the right from time to time and at all reasonable times during the term of the Agreement and a period of seven (7) years thereafter to inspect and audit any and all books, accounts and records pertaining to Seller's performance under this Agreement, at the office or offices of Seller where they are then being kept,

maintained and preserved in accordance with Section 6.04. If such books, accounts and records are not kept at an office within the State of New York, within a reasonable time of a request by NYSERDA, Seller shall make such books, accounts and records available to NYSERDA at NYSERDA's offices or at an agreed upon location within the State of New York. Any payment made under this Agreement shall be subject to retroactive adjustment (reduction or increase) regarding amounts included therein which are found by NYSERDA on the basis of any audit of Seller by an agency of the United States, the State of New York or NYSERDA not to constitute a properly invoiced amount.

Section 7.02. Eligibility Audit. NYSERDA may require periodic audits of the Bid Facility to verify that the Bid Facility remains eligible under the RES as described in Section 2.06 of this Agreement. Seller shall provide NYSERDA with written Notice prior to any material modification of the Bid Facility, including but not limited to any modification that is expected to result in a change in the Nameplate Capacity of the Bid Facility, and shall provide to NYSERDA a written description of the planned modification.

Article VIII

Assignment and Change of Control

Section 8.01. General Restrictions. Except as specifically permitted by this Article VIII, the assignment, transfer, conveyance, or other disposal of this Agreement or any of Seller's rights, obligations, interests or responsibilities hereunder, in whole or in part, without the prior express written consent of NYSERDA is prohibited and shall be void and of no effect as to NYSERDA. Such consent shall not be unreasonably withheld, conditioned, or delayed. Seller agrees to reimburse NYSERDA for NYSERDA's reasonable costs and expenses incurred by its use of outside attorneys, consultants, accountants and advisors in connection with this Agreement in response to Seller's requests made pursuant to this Section 8.01, without regard to whether such consent is provided. NYSERDA shall provide an invoice to Seller for such charges, with appropriate documentation, and Seller shall pay such invoice within thirty (30) days. When assignable, this Agreement shall be binding upon, shall inure to the benefit of, and may be performed by, the successors and assignees of the Parties; provided, however, that no assignment, pledge or other transfer of this Agreement by Seller shall operate to release Seller from any of its obligations under this Agreement (and shall not impair any Contract Security provided by Seller hereunder) unless such assignee, pledgee or transferee (a) agrees in writing to assume all of Seller's obligations under this Agreement, and (b) provides Contract Security to replace that previously provided by Seller, in which case, at Seller's request, NYSERDA (or its successors or assigns) will execute a release of Seller from its obligations thereunder.

Section 8.02. Permitted Assignments by Seller. NYSERDA's consent shall not be required for Seller to either (a) pledge or assign the Bid Facility, this Agreement, or the accounts, revenues, or proceeds from this Agreement in connection with financing arrangements, or (b) assign the Bid Facility and this Agreement to an affiliate if the then-current Contract Security remains in place. Upon Seller's reasonable request, NYSERDA shall execute a consent to assignment associated with a financing in a commercially reasonable form acceptable to NYSERDA and Seller. For purposes of this Section 8.02, the term "affiliate" shall include any company, corporation, or other entity that controls, is controlled by, or is under common control

with Seller, but only for so long as such control, directly or indirectly, meets the following definition. For purposes of this definition, “control” shall mean ownership or control, directly or indirectly, of at least fifty percent (50%) of the shares having voting rights, or other equivalent rights of the subject entity entitled to vote.

Section 8.03. Assignment with Change of Control. Seller may, upon written notice and delivery to NYSERDA of a letter of assignment substantially in the form of Exhibit G and duly executed by Seller and the assignee entity, assign its rights and obligations hereunder, or transfer such rights and obligations by operation of law, to any entity (a) with which or into which such Seller merges or consolidates; (b) which acquires greater than fifty percent (50%) of Seller’s equity interests or actual control of Seller; or (c) to which Seller transfers all or substantially all of its assets; in each case provided that such other entity agrees to be bound by the terms hereof; and provided further, that such other entity’s creditworthiness is comparable to or superior to that of Seller at the time this Agreement was executed and such Party is not relieved of any obligation or liability hereunder as a result of such assignment.

Article IX

Section 9.01. Seller Representations, Warranties and Guarantees. As a material inducement to NYSERDA to enter into this Agreement, Seller makes the following representations, warranties and guarantees, as of the Effective Date, all of which shall survive the execution and delivery of this Agreement:

(a) that Seller (i) is a [corporation/limited liability company/partnership] duly organized, validly existing and in good standing under the laws of the jurisdiction of its organization; (ii) has or will have all requisite corporate power, and has or will have all material governmental permits necessary to own its assets or lease and operate its properties and carry on its business as now being or as proposed to be conducted, to construct, finance, own, maintain and operate the Bid Facility, to execute and deliver this Agreement, and to consummate the transactions contemplated herein; and (iii) is qualified to do business and is in good standing in all jurisdictions in which the nature of the business conducted by it makes such qualification necessary;

(b) that the execution, delivery and performance by Seller, the entry into this Agreement by Seller, and the consummation of the transactions contemplated by this Agreement will not violate (i) Applicable Law or any provision of the limited liability company agreement or other governing documents of Seller; (ii) violate, conflict with, result in a breach of or constitute (alone or with notice or lapse of time or both) a default or an event of default under any indenture, agreement (including the limited liability company agreement of Seller), mortgage, deed of trust, note, lease, contract or other instrument to which Seller is a party or by which it or any of its property is bound; or (iii) result in the creation or imposition of any lien upon any property or assets of Seller;

(c) that the Tier-1 RECs Transferred to NYSERDA under this Agreement, will be free and clear of any liens, encumbrances and/or defects of title as of the date of Transfer;

(e) that this Agreement will be duly executed and delivered by Seller and will constitute the legal, valid and binding obligation of Seller enforceable against Seller in accordance with the terms thereof;

(f) as of the Effective Date, to the best of Seller's knowledge after due inquiry, that there are no existing undisclosed or threatened material legal actions, claims, or encumbrances, or liabilities that may adversely affect Seller's performance of this Agreement or NYSERDA's rights hereunder;

(g) as of the Effective Date, that Seller has no knowledge that any information or document or statement furnished by Seller in connection with this Agreement or the documents submitted to NYSERDA under RESRFP21-1 contain any untrue statement of a material fact or omits to state a material fact necessary to make the statement not misleading;

(h) that Seller shall not, and shall not cause or permit any voluntarily abandonment of the development, construction or operation of the Bid Facility; and

(i) Seller certifies that all information provided to NYSERDA with respect to State Finance Law Sections 139-j and 139-k is complete, true and accurate; and

(j) that Seller is familiar with and will comply with NYSERDA's Code of Conduct for Contractors, Consultants, and Vendors with respect to the performance of this Agreement (<http://www.nyserda.ny.gov/-/media/Files/About/Board-Governance/NYSERDA-Code-of-Conduct-Contractors.pdf>).

Section 9.02. Continuing Nature of Representations, Warranties and Guarantees. The representations, warranties and guarantees set forth in this Article are made as of the Effective Date and deemed made continually throughout the Contract Delivery Term, except to the extent that such representation and warranty states that it is permitted or required to be made only as of a specific date. If at any time during the Contract Delivery Term, Seller has knowledge of any event or information that causes any of the representations and warranties of an ongoing nature in this Article IX to be untrue or misleading, Seller shall provide NYSERDA with prompt written notice of the event or information, the representations and warranties affected, and the corrective action Seller shall take. The notice required pursuant to this Section shall be given as soon as practicable after the occurrence of each such event.

Section 9.03. Limitation on Representations, Warranties and Guarantees. Except as expressly set forth herein, there is no warranty of merchantability or fitness for a particular purpose with respect to the Tier-1 RECs transferred hereunder, and any and all implied warranties are disclaimed.

Article X

NYSERDA's Representations, Warranties and Guarantees

Section 10.01. NYSERDA Representations, Warranties and Guaranties. As a material inducement to Seller to enter into this Agreement, NYSERDA makes the following representations, warranties and guarantees, as of the Effective Date, all of which shall survive the execution and delivery of this Agreement:

(a) that NYSERDA is an instrumentality of the State of New York and a public authority and public benefit corporation, created under the New York State Public Authorities Law, validly existing and in good standing under the laws of the State of New York;

(b) that NYSERDA has all necessary power and authority to execute and deliver this Agreement and all other agreements contemplated herein and hereby and to consummate the transactions contemplated hereby and thereby. The execution and delivery by NYSERDA of this Agreement and all other agreements contemplated herein and hereby and the consummation of the transactions contemplated hereby and thereby have been or, if not yet executed and delivered, will be when executed and delivered, and no other actions or proceedings on the part of NYSERDA are necessary to authorize this Agreement or any other agreement contemplated herein and hereby or the consummation of the transactions contemplated hereby and thereby;

(c) that the execution, delivery and performance by NYSERDA of this Agreement will not (i) violate Applicable Law; (ii) violate, conflict with, result in a material breach of or constitute (alone or with notice or lapse of time or both) a material default or event of default under any indenture, agreement, mortgage, deed of trust, note, lease, contract or other instrument to which NYSERDA is a party or by which NYSERDA or any of its property is bound; or (iii) result in the creation or imposition of any lien upon any property or assets of NYSERDA. This Agreement will not conflict with any other agreement or contract to which NYSERDA is a party;

(d) that this Agreement has been duly executed and delivered by NYSERDA and constitutes the legal, valid and binding obligation of NYSERDA enforceable against NYSERDA in accordance with the terms thereof;

(e) that NYSERDA is familiar with and in compliance with all Applicable Law, except where the failure to so comply would not result in a material adverse effect on NYSERDA's ability to perform its obligations; and

(f) that there is no action, suit or claim at law or in equity, or before or by a governmental authority pending or, to the best knowledge of NYSERDA after due inquiry, threatened against NYSERDA or affecting any of its properties or assets which could reasonably be expected to result in a material adverse effect on NYSERDA's ability to perform its obligations.

Section 10.02. Continuing Nature of Representations, Warranties and Guarantees. The representations, warranties and guarantees set forth in this Article are made as of the Effective

Date and deemed made continually throughout the Contract Delivery Term, except to the extent that such representation and warranty states that it is permitted or required to be made only as of a specific date. If at any time during the Contract Delivery Term, NYSERDA has knowledge of any event or information that causes any of the representations and warranties in this Article X to be untrue or misleading, NYSERDA shall provide Seller with prompt written notice of the event or information, the representations and warranties affected, and the corrective action NYSERDA shall take. The notice required pursuant to this Section shall be given as soon as practicable after the occurrence of each such event.

Article XI

Indemnification

Section 11.01. Indemnification. Seller shall protect, indemnify and hold harmless NYSERDA and the State of New York from and against all liabilities, losses, claims, damages, judgments, penalties, causes of action, costs and expenses (including, without limitation, reasonable attorneys' and/or experts' fees and expenses) imposed upon or incurred by or asserted against NYSERDA or the State of New York resulting from, arising out of or relating to Seller's breach of this Agreement or to the extent caused by any alleged negligence, unlawful act or omission, or intentional misconduct of Seller in the course of the development of Bid Facility, or the production or delivery of Tier-1 RECs under this Agreement. Seller shall have no obligation to protect, indemnify, or hold harmless NYSERDA or the State of New York with respect to any claims asserted against NYSERDA or the State of New York challenging (a) the legal validity of (i) this Agreement, (ii) the purchase or sale of Tier-1 RECs, or (iii) the competitive solicitation process held by NYSERDA to procure Tier-1 RECs; or (b) the administration of NYGATS and/or Clean Energy Standard program (including any dispute arising out of the resale of Tier-1 RECs by NYSERDA). The obligations of Seller under this Article shall survive any expiration or termination of this Agreement and shall not be limited by the amount of Seller's insurance coverage.

Section 11.02. Indemnification Procedures. NYSERDA shall give reasonable notice to Seller of any claim or notice of the commencement of any action, administrative or legal proceeding or investigation as to which indemnification under this Article may apply or promptly after NYSERDA has actual knowledge of any other Loss that would result in a claim for indemnification. NYSERDA shall reasonably cooperate with Seller in the defense of any such claim. Seller shall use counsel reasonably satisfactory to NYSERDA to defend any such claim (with consent to counsel not to be unreasonably withheld, conditioned, or delayed) and shall control the defense of any such claim. NYSERDA may participate in the defense of any such claim at its own expense. Seller may not agree to any settlement or compromise of any claim without NYSERDA's prior written consent (which consent may not be unreasonably withheld, conditioned, or delayed) that is not an unconditional release of NYSERDA from any and all liabilities upon the payment of money that will be paid by Seller.

Section 11.03. Failure to Defend. If Seller fails to assume the defense of a claim meriting indemnification, NYSERDA may at the expense of Seller contest, settle or pay such claim, and Seller shall promptly reimburse NYSERDA for all costs reasonably incurred and documented by NYSERDA associated therewith.

Article XII

Seller, at no cost to NYSERDA, shall maintain or cause to be maintained, on or before the date upon which construction begins and continuing throughout the duration of the Contract Delivery Term, insurance of the types and in the amounts specified in Section 12.02 (Types of Insurance). All such insurance shall be evidenced by insurance policies, each of which shall:

- (a) name or be endorsed to cover NYSERDA and the State of New York as additional insureds;
- (b) provide that such policy may not be cancelled or modified until at least 30 days after receipt by NYSERDA of written notice thereof; and

In the event that any policy furnished or carried pursuant to this Article XII will expire on a date prior to the expiration date of this Agreement, Seller, not less than 15 days prior to such expiration date, shall deliver to NYSERDA certificates of insurance evidencing the renewal of such policies, and Seller shall promptly pay all premiums thereon due. In the event of threatened legal action, claims, encumbrances, or liabilities that may affect NYSERDA hereunder, or if deemed necessary by NYSERDA due to events rendering a review necessary, upon request Seller shall deliver to NYSERDA a certified copy of each policy.

Article XIV

Termination

Section 14.01. Termination. This Agreement may be terminated:

(a) at any time by either NYSERDA or Seller if: (i) an Event of Default occurs (and following the expiration of any applicable cure period), (ii) the Party seeking to terminate this Agreement hereunder is the non-defaulting Party, and (iii) the non-defaulting Party has not waived such Event of Default in writing;

(e) by NYSERDA in the event it is found that Seller made material misrepresentations in the certification filed by Seller in accordance with New York State Tax Law Section 5-a that were intentionally false when made.

Section 14.02. Effect of Termination. Except as otherwise set forth in Section 18.03 below, in the event of a termination of this Agreement as provided in Section 14.01 above, neither Party shall have any further right or obligation hereunder. In addition, the Parties agree that, in the case of a termination based on the default of Seller, irreparable damage would occur in the event that NYSERDA could not obtain Tier-1 RECs pursuant to this Agreement from the date of Event of Default in which Seller was the defaulting Party, and accordingly, each Party hereby agrees that NYSERDA shall be entitled to elect to compel specific performance of this Agreement to compel the Transfer of all Tier-1 RECs associated with the Quantity Obligation that the [Bid Facility/Upgrade/Repower] produces following the date of any termination for such an Event of Default in accordance with the terms hereof, including Payment, together with any other remedy at law or equity available to NYSERDA in connection therewith, without the necessity of demonstrating the inadequacy of money damages. Section 14.04. Damages. Neither Party shall be liable to the other for consequential, incidental, punitive, exemplary, or indirect damages, lost profits or other business interruption damages arising from the breach of this Agreement; provided, however, that nothing in this Section 14.04 shall limit (a) Seller's obligations under Section 11.01 of this Agreement, or (b) either Party's liability for fraud.

Article XV

Section 15.03. Executed Interconnection Agreement. Having provided and maintained the Contract Security identified in Sections 15.02(a) and 15.02(b), Seller may, in lieu of the additional Contract Security Seller required under Sections 15.02(c), (d), (e), and/or (f), extend the Commercial Operation Milestone Date from the Initial Commercial Operation Milestone Date to the Sixth Extended Commercial Operation Date by providing to NYSERDA proof that an interconnection agreement has been entered into by the NYISO or its counterpart in an adjacent control area, the Connecting Transmission Owner, and Seller or a legal representative of Seller. Bid Facilities seeking to satisfy the electricity delivery requirement through options 2 or 3 of Section 3.01 may provide proof that a comparable interconnection agreement has been entered into with all the necessary sites, service providers and parties that will be enable and permit the transmission of the energy from the Bid Facility to the point of its consumption.

Should the Bid Facility not have commenced Commercial Operation by a date 30 days prior to the expiration date of the Letter of Credit, and Seller not having provided NYSERDA or arranged with NYSERDA to provide a substitute Letter of Credit prior to such expiration, NYSERDA shall be thereupon entitled to draw on the Letter of Credit for the full amount then outstanding and the funds received shall be held by NYSERDA until a substitute Letter of Credit has been provided, or for application against subsequent obligations of Seller.

Section 15.05. Replacement. Any assignee within Article VIII of this Agreement shall, simultaneously with its receipt of the assignment, deliver to NYSERDA a Replacement Letter of Credit meeting the requirements of this Article, and NYSERDA shall, within twenty (20)

Business Days after receipt of a compliant Replacement Letter of Credit, return the original Letter of Credit to Seller. Upon the failure of an assignee to deliver a compliant Replacement Letter of Credit to NYSERDA simultaneously with its receipt of the assignment, NYSERDA shall be thereupon entitled to draw on the Letter of Credit for the full amount then outstanding and the funds received shall be held by NYSERDA for application against subsequent obligations of Seller and/or the assignee under this Agreement.

- (d) At a prorated amount if the Installed Capacity is less than the Bid Capacity. Such amount that will be retained, expressed as a percentage of the total Contract Security, will be equal to the Bid Capacity minus the Installed Capacity divided by the Bid Capacity.

Section 15.08. Stipulated Damages. NYSERDA and Seller hereby agree, acknowledge and stipulate that NYSERDA's retention of amounts provided by Seller as Contract Security pursuant to Article XV, in the proportions stated within this Article, is fair and reasonable under the circumstances and in light of the uncertainty and inability to adequately quantify the harm that would result to NYSERDA as a result of the events that permit NYSERDA to retain such amounts of the Contract Security.

Article XVI

Force Majeure

Section 16.01. Force Majeure.

(a) Neither Party hereto shall be liable for any failure or delay in the performance of its respective obligations hereunder if and to the extent that such delay or failure is due to a cause or circumstance beyond the reasonable control of such Party, including, without limitation, (i) acts of God or the public enemy, (ii) expropriation or confiscation of land or facilities, (iii) compliance with any law, order, regulation or request of any Federal, State, municipal or local governmental authority, including NYSERDA (but only with respect to a Force Majeure Event claimed by Seller), (iv) acts of war, rebellion or sabotage or damage resulting therefrom, (v) major equipment failure, and (vi) fires, floods, storms, explosions, accidents, riots, or strikes (a “Force Majeure Event”); provided, however, that the occurrence of a Force Majeure Event shall not excuse a Party from any payment obligations hereunder with respect to services previously rendered or partial payment to the extent some portion of the Tier-1 RECs continue to be rendered during a period in which a Force Majeure Event renders a Party only partially able to perform. Variability in the frequency or force of the wind, of the sun, of rainfall, or of water levels will in no event constitute a Force Majeure Event. Failure by Seller to obtain or secure any permit or approval or delay in obtaining any permit or approval of any sort with regard to Seller’s performance under the Agreement shall not constitute a Force Majeure Event.

(b) Curtailment. Force Majeure Event shall also include a general curtailment, reduction or redispatch of generation directed by a specific command of NYISO, a transmission system owner, or the local distribution system owner.

(c) Subject to Section 14.01(c), following the occurrence of a Force Majeure Event that adversely affects a Party’s ability to perform under this Agreement, the Parties shall negotiate in good faith to amend the terms and conditions of this Agreement to limit the effects thereof and give effect to the original intent of the Parties hereunder.

Article XVII

Compliance with Certain Laws

Section 17.01. Governing Law; Venue. This Agreement shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts executed and to be performed in New York State without regard to its conflicts of laws principles. The Parties irrevocably acknowledge and accept that all actions arising under or relating to this Agreement, and the transactions contemplated hereby and thereby shall be brought exclusively in a United States District Court or New York State Court located in Albany, New York having subject matter jurisdiction over such matters, and each of the Parties hereby consents to and accepts such personal jurisdiction of, and waives any objection as to the laying of venue in, such courts for purposes of such action.

Section 17.02. Laws of the State of New York. Seller shall comply with all of the requirements set forth in Exhibit A hereto.

Section 17.03. All Legal Provisions Deemed Included. It is the intent and understanding of Seller and NYSERDA that each and every provision of law required by the laws of the State of New York to be contained in this Agreement shall be contained herein, and if, through mistake, oversight or otherwise, any such provision is not contained herein, or is not contained herein in correct form, this Agreement shall, upon the application of either NYSERDA or Seller, promptly be amended so as to comply strictly with the laws of the State of New York with respect to the inclusion in this Agreement of all such provisions. In such event, the Parties shall negotiate such amendment in good faith with the intent that such amendment reflects, as closely as possible, the terms and conditions of this Agreement in effect prior to such amendment; provided that such amendment shall not in any event alter (a) the purchase and sale obligations of the Parties pursuant to this Agreement, or (b) the pricing and payment provisions of this Agreement.

Section 17.04. Permits and Approvals. Seller shall be responsible to obtain all applicable permits and regulatory approvals that may be required in order to develop and/or operate the Bid Facility over the duration of the Contract Delivery Term. Neither the RES Program nor selection under RESRFP21-1 in any way replaces or modifies the necessity or applicability of any permit or approval process by any jurisdiction. NYSERDA's obligations to make payments to Seller are conditional on the acquisition by Seller of all such permits and approvals. Upon request by NYSERDA Seller must demonstrate such acquisition and/or provide copies of all permits and approvals acquired. Seller shall provide prompt Notice to NYSERDA of the initiation of any criminal or regulatory investigation, hearing, proceeding, or review process ("Process") by any federal or State entity regarding any actual or alleged violation of any permit or approval obtained or applied for with respect to the Bid Facility, as well as of any modification, penalty and/or fine that may be imposed or occur as a result of such a Process or violation, in either case which actual or alleged violation, modification, penalty and or fine, if true or imposed, would substantially impair Seller's performance of obligations under this Agreement. Upon the filing by Seller of an application for a permit to site the Bid Facility, Seller shall promptly notify NYSERDA and shall comply with any restrictions NYSERDA may impose regarding communication with NYSERDA staff.

Section 17.05. Other Legal Requirements. The references to particular laws of the State of New York in this Article and elsewhere in this Agreement are not intended to be exclusive and nothing contained in such Article, Exhibit and Agreement shall be deemed to modify the obligations of Seller to comply with all legal requirements.

Article XVIII

Additional Provisions

Section 18.01. Forward Contract. Each Party represents and warrants to the other that it is a "forward contract merchant" within the meaning of the United States Bankruptcy Code, that this Agreement is a "forward contract" within the meaning of the United States Bankruptcy

Code, and that the remedies identified in this Agreement shall be “contractual rights” as provided for in 11 U.S.C. § 556 as that provision may be amended from time to time.

Section 18.02. Taxes/Costs. Seller shall be responsible for and obligated to pay all present and future taxes, fees, levies and costs that may be assessed by any entity including but not limited to NYGATS with respect to Seller’s provision of Tier-1 RECs to NYSERDA, or with respect to the measurement, tracking, and verification and participation in NYGATS necessary for the creation and Transfer of the Tier-1 RECs and/or the energy with which they are associated, into the NYSERDA NYGATS account.

Section 18.03. Term. Unless terminated earlier under this Article, this Agreement shall expire upon the expiration of the Contract Delivery Term. Upon such date or upon earlier Termination of this Agreement under Article XIV, neither Party shall have any further obligation to the other, except that Article I, Sections 2.02, 2.03, 5.01, 5.02(a), 7.01, 11.01, 11.02, 14.02, 15.06, 15.08, 17.01, 18.03, 18.04, 19.01, 19.02, 20.01, 21.02, 21.03, 21.04, and all payment obligation under Article IV shall survive.

Section 18.04. Waiver. Either Party to this Agreement may (a) extend the time for the performance of any of the obligations or other acts of the other Party, (b) waive any inaccuracies in the representations and warranties of the other Party contained herein or in any document delivered by the other Party pursuant hereto, or (c) waive compliance with any of the agreements or conditions of the other Party contained herein. Any such extension or waiver shall be valid only if set forth in an instrument in writing signed by the Party to be bound thereby. Any waiver of any term or condition shall not be construed as a waiver of any subsequent breach or a subsequent waiver of the same term or condition, or a waiver of any other term or condition, of this Agreement. No provision of this Agreement will be deemed to have been waived unless the waiver is in writing; no delay by either Party in exercising its rights hereunder, including the right to terminate this Agreement, shall be deemed to constitute or evidence any waiver by such Party of any right hereunder. The rights granted in this Agreement are cumulative of every other right or remedy that the enforcing Party may otherwise have at law or in equity or by statute.

Section 18.05. Independent Contractor. The status of Seller under this Agreement shall be that of an independent contractor and not that of an agent, and in accordance with such status, Seller and its respective officers, agents, employees, representatives and servants shall at all times during the term of this Agreement conduct themselves in a manner consistent with such status and by reason of this Agreement shall neither hold themselves out as, nor claim to be acting in the capacity of, officers, employees, agents, representatives or servants of NYSERDA nor make any claim, demand or application for any right or privilege applicable to NYSERDA, including, without limitation, rights or privileges derived from workers' compensation coverage, unemployment insurance benefits, social security coverage and retirement membership or credit. Nothing in this Agreement shall be construed as creating a partnership, joint venture or other relationship between NYSERDA and Seller for any reason.

Section 18.06. Severability. If any provision of this Agreement shall be declared by any court of competent jurisdiction to be illegal, void or unenforceable, all other provisions of this Agreement shall not be affected and shall remain in full force and effect. If any provision of this

Agreement is so broad as to be unenforceable, that provision shall be interpreted to be only so broad as will enable it to be enforced.

Section 18.07. Seller Expense. Seller shall, at its own expense, make all arrangements necessary to: (a) register the Bid Facility and Transfer Tier-1 RECs to the NYSERDA NYGATS Account, and (b) interconnect the Bid Facility with a transmission or distribution system and to comply with the Bid Facility Electricity Delivery Requirements. This requirement encompasses Seller's purchasing or arranging for all services including without limitation transmission, ancillary services, any control area services, line losses and transaction fees necessary to deliver energy to the New York Control Area, in accordance with all rules and protocols of the NYISO, throughout the Contract Delivery Term.

Section 18.08. Environmental Disclosure. The Parties agree that, at the time of the execution of this Agreement, New York employs NYGATS for the tracking, registration, and trading of generation attributes, including renewable or environmental attributes or credits, and that NYGATS will be used by the New York State Department of Public Service to accomplish verification of the transactions consummated hereunder as part of the Environmental Disclosure Program.

Section 18.09. Covenant. Seller hereby covenants and promises that the Bid Facility is or will be eligible under the August and February Orders and that it will remain so throughout the Contract Delivery Term.

Section 18.10. Prevailing Wage. All laborers, workmen and mechanics, within the meaning of NYS Labor Law Article 8, performing Construction Activities during the Construction Period with respect to the Bid Facility [and Energy Storage, if applicable], including, but not limited to, the staging, installation, erection and placement of Bid Facility and its electrical interconnection as well as start-up and commissioning of the Bid Facility, whether through long-term or short-term employment, must be paid at least the applicable Prevailing Wage applicable in the area where the Bid Facility will be situated, erected and used, as published by the [NYS Department of Labor](https://labor.ny.gov/workerprotection/publicwork/PWContents.shtm) (DOL)⁷ or at least the equivalent Prevailing Wage requirements of the jurisdiction where the Bid Facility is located. This requirement applies: (a) to all laborers, workmen and mechanics performing Construction Activities during the Construction Period, whether they be direct employees of Seller or of Seller's subcontractor(s), and (b) regardless of whether or not Seller claimed such employment as an Incremental Economic Benefit in its Bid Proposal. The Parties agree that all citations in this Agreement to NYS Labor Law Article 8 are solely for reference purposes to establish the amount of the Prevailing Wage required to be paid pursuant to this Section 18.10 and the categories of persons required to be paid such Prevailing Wage. The Parties agree that NYS Labor Law Article 8 does not and shall not apply to or govern this Agreement, the development, construction, installation, operation, maintenance or repair of the Bid Facility (or its electrical interconnection), or to the performance by Seller (directly or through any of its contractors, subcontractors, representatives, consultants, agents or representatives) of its obligations hereunder.

Section 18.11. No Third-Party Beneficiaries. Nothing herein is intended to or should be construed to create any rights of any kind whatsoever in any persons not party to this Agreement.

Section 18.12. Collective Bargaining. The requirements of Section 18.10 shall not apply to works performed (a) under a pre-hire collective bargaining agreement between an owner or contractor and a bona fide building and construction trade labor organization which has established itself, and/or its affiliates, as the collective bargaining representative for all persons who will perform work on such a project, and which provides that only contractors and subcontractors who sign a pre-negotiated agreement with the labor organization can perform work on such a project, or (b) construction work performed under a labor peace agreement, project labor agreement, or any other construction work performed under an enforceable agreement between an owner or contractor and a bona fide building and construction trade labor organization.

EXHIBIT A

REVISED 5/12

STANDARD TERMS AND CONDITIONS
FOR ALL NYSERDA AGREEMENTS⁸

(Based on Standard Clauses for New York State Contracts and Tax Law Section 5-a)

The parties to the Agreement agree to be bound by the following clauses which are hereby made a part of the Agreement:

1. NON-DISCRIMINATION REQUIREMENTS. To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is an Agreement for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this Agreement shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Agreement. If this is a building service Agreement as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this Agreement. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this Agreement and forfeiture of all moneys due hereunder for a second subsequent violation.

2. WAGE AND HOURS PROVISIONS. If this is a public work Agreement covered by Article 8 of the Labor Law or a building service Agreement covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent

⁸ NYSERDA's Standard Forms and Agreements can be found on NYSERDA's website:
<https://www.nyserda.ny.gov/Funding-Opportunities/Standard-Forms-and-Agreements>

to payment by NYSERDA of any NYSERDA-approved sums due and owing for work done upon the project.

3. NON-COLLUSIVE BIDDING REQUIREMENT. In accordance with Section 2878 of the Public Authorities Law, if this Agreement was awarded based upon the submission of bids, Contractor warrants, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further warrants that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to NYSERDA a non-collusive bidding certification on Contractor's behalf.

4. INTERNATIONAL BOYCOTT PROHIBITION. If this Agreement exceeds \$5,000, the Contractor agrees, as a material condition of the Agreement, that neither the Contractor nor any substantially owned or affiliated person, firm, partnership or corporation has participated, is participating, or shall participate in an international boycott in violation of the Federal Export Administration Act of 1979 (50 USC App. Sections 2401 et seq.) or regulations thereunder. If such Contractor, or any of the aforesaid affiliates of Contractor, is convicted or is otherwise found to have violated said laws or regulations upon the final determination of the United States Commerce Department or any other appropriate agency of the United States subsequent to the Agreement's execution, such Agreement, amendment or modification thereto shall be rendered forfeit and void. The Contractor shall so notify NYSERDA within five (5) business days of such conviction, determination or disposition of appeal. (See and compare Section 220-f of the Labor Law, Section 139-h of the State Finance Law, and 2 NYCRR 105.4).

5. SET-OFF RIGHTS. NYSERDA shall have all of its common law and statutory rights of set-off. These rights shall include, but not be limited to, NYSERDA's option to withhold for the purposes of set-off any moneys due to the Contractor under this Agreement up to any amounts due and owing to NYSERDA with regard to this Agreement, any other Agreement, including any Agreement for a term commencing prior to the term of this Agreement, plus any amounts due and owing to NYSERDA for any other reason including, without limitation, tax delinquencies, fee delinquencies or monetary penalties relative thereto.

6. PROPRIETARY INFORMATION. Notwithstanding any provisions to the contrary in the Agreement, Contractor and NYSERDA acknowledge and agree that all information, in any format, submitted to NYSERDA shall be subject to and treated in accordance with the NYS Freedom of Information Law ("FOIL," Public Officers Law, Article 6). Pursuant to FOIL, NYSERDA is required to make available to the public, upon request, records or portions thereof which it possesses, unless that information is statutorily exempt from disclosure. Therefore, unless the Agreement specifically requires otherwise, Contractor should submit information to NYSERDA in a non-confidential, non-proprietary format. FOIL does provide that NYSERDA may deny access to records or portions thereof that "are trade secrets or are submitted to an agency by a commercial enterprise or derived from information obtained from a commercial enterprise and which if disclosed would cause substantial injury to the competitive position of the subject enterprise." [See Public Officers Law, § 87(2)(d)]. Accordingly, if the Agreement specifically requires submission of information in a format Contractor considers a proprietary and/or confidential trade secret, Contractor shall fully identify and plainly label the information "confidential" or "proprietary" at the time of disclosure. By so marking such information, Contractor represents that the information has actual or potential specific commercial or

competitive value to the competitors of Contractor. Without limitation, information will not be considered confidential or proprietary if it is or has been (a) generally known or available from other sources without obligation concerning its confidentiality; (b) made available by the owner to others without obligation concerning its confidentiality; or (c) already available to NYSERDA without obligation concerning its confidentiality. In the event of a FOIL request, it is NYSERDA's policy to consider records as marked above pursuant to the trade secret exemption procedure set forth in 21 New York Codes Rules & Regulations § 501.6 and any other applicable law or regulation. However, NYSERDA cannot guarantee the confidentiality of any information submitted. More information on FOIL, and the relevant statutory law and regulations, can be found at the website for the Committee on Open Government (<https://www.ny.gov/programs/open-foil-ny>) and NYSERDA's Regulations, Part 501 (<https://www.nyserda.ny.gov/About/New-York-State-Regulations>).

7. IDENTIFYING INFORMATION AND PRIVACY NOTIFICATION.

(a) **FEDERAL EMPLOYER IDENTIFICATION NUMBER and/or FEDERAL SOCIAL SECURITY NUMBER.** As a condition to NYSERDA's obligation to pay any invoices submitted by Contractor pursuant to this Agreement, Contractor shall provide to NYSERDA its Federal employer identification number or Federal social security number, or both such numbers when the Contractor has both such numbers. Where the Contractor does not have such number or numbers, the Contractor must give the reason or reasons why the payee does not have such number or numbers.

(b) **PRIVACY NOTIFICATION.** The authority to request the above personal information from a seller of goods or services or a lessor of real or personal property, and the authority to maintain such information, is found in Section 5 of the State Tax Law. Disclosure of this information by Contractor to the State is mandatory. The principal purpose for which the information is collected is to enable the State to identify individuals, businesses and others who have been delinquent in filing tax returns or may have understated their tax liabilities and to generally identify persons affected by the taxes administered by the Commissioner of Taxation and Finance. The information will be used for tax administration purposes and for any other purpose authorized by law.

8. **CONFLICTING TERMS.** In the event of a conflict between the terms of the Agreement (including any and all attachments thereto and amendments thereof) and the terms of this Exhibit A, the terms of this Exhibit A shall control.

9. **GOVERNING LAW.** This Agreement shall be governed by the laws of the State of New York except where the Federal supremacy clause requires otherwise.

10. **NO ARBITRATION.** Disputes involving this Agreement, including the breach or alleged breach thereof, may not be submitted to binding arbitration (except where statutorily required) without the NYSERDA's written consent, but must, instead, be heard in a court of competent jurisdiction of the State of New York.

11. **SERVICE OF PROCESS.** In addition to the methods of service allowed by the State Civil Practice Law and Rules ("CPLR"), Contractor hereby consents to service of process upon it by

registered or certified mail, return receipt requested. Service hereunder shall be complete upon Contractor's actual receipt of process or upon NYSERDA's receipt of the return thereof by the United States Postal Service as refused or undeliverable. Contractor must promptly notify NYSERDA, in writing, of each and every change of address to which service of process can be made. Service by NYSERDA to the last known address shall be sufficient. Contractor will have thirty (30) calendar days after service hereunder is complete in which to respond.

12. CRIMINAL ACTIVITY. If subsequent to the effectiveness of this Agreement, NYSERDA comes to know of any allegation previously unknown to it that the Contractor or any of its principals is under indictment for a felony, or has been, within five (5) years prior to submission of the Contractor's proposal to NYSERDA, convicted of a felony, under the laws of the United States or Territory of the United States, then NYSERDA may exercise its stop work right under this Agreement. If subsequent to the effectiveness of this Agreement, NYSERDA comes to know of the fact, previously unknown to it, that Contractor or any of its principals is under such indictment or has been so convicted, then NYSERDA may exercise its right to terminate this Agreement. If the Contractor knowingly withheld information about such an indictment or conviction, NYSERDA may declare the Agreement null and void and may seek legal remedies against the Contractor and its principals. The Contractor or its principals may also be subject to penalties for any violation of law which may apply in the particular circumstances. For a Contractor which is an association, partnership, corporation, or other organization, the provisions of this paragraph apply to any such indictment or conviction of the organization itself or any of its officers, partners, or directors or members of any similar governing body, as applicable.

13. PERMITS. It is the responsibility of the Contractor to acquire and maintain, at its own cost, any and all permits, licenses, easements, waivers and permissions of every nature necessary to perform the work.

14. PROHIBITION ON PURCHASE OF TROPICAL HARDWOODS. The Contractor certifies and warrants that all wood products to be used under this Agreement will be in accordance with, but not limited to, the specifications and provisions of State Finance Law Section 165 (Use of Tropical Hardwoods), which prohibits purchase and use of tropical hardwoods, unless specifically exempted by NYSERDA.

15. OMNIBUS PROCUREMENT ACT OF 1992. It is the policy of New York State to maximize opportunities for the participation of New York State business enterprises, including minority and women-owned business enterprises as bidders, subcontractors and suppliers on its procurement contracts.

Information on the availability of New York State subcontractors and suppliers is available from:

The Omnibus Procurement Act of 1992 requires that by signing this Agreement, Contractors certify that whenever the total amount is greater than \$1 million:

- (a) The Contractor has made reasonable efforts to encourage the participation of New York State Business Enterprises as suppliers and subcontractors, including certified minority and women-owned business enterprises, on this project, and has retained the documentation of these efforts to be provided upon request to the State;
- (b) The Contractor has complied with the Federal Equal Opportunity Act of 1972 (P.L. 92-261), as amended;
- (c) The Contractor agrees to make reasonable efforts to provide notification to New York State residents of employment opportunities on this project through listing any such positions with the Job Service Division of the New York State Department of Labor, or providing such notification in such manner as is consistent with existing collective bargaining contracts or agreements. The Contractor agrees to document these efforts and to provide said documentation to the State upon request; and
- (d) The Contractor acknowledges notice that the State may seek to obtain offset credits from foreign countries as a result of this Agreement and agrees to cooperate with the State in these efforts.

16. RECIPROCITY AND SANCTIONS PROVISIONS. Bidders are hereby notified that if their principal place of business is located in a country, nation, province, state or political subdivision that penalizes New York State vendors, and if the goods or services they offer will be substantially produced or performed outside New York State, the Omnibus Procurement Act 1994 and 2000 amendments (Chapter 684 and Chapter 383, respectively) require that they be denied contracts which they would otherwise obtain. NOTE: As of May 15, 2002, the list of discriminatory jurisdictions subject to this provision includes the states of South Carolina, Alaska, West Virginia, Wyoming, Louisiana and Hawaii. Contact NYS Department of Economic Development for a current list of jurisdictions subject to this provision.

17. COMPLIANCE WITH NEW YORK STATE INFORMATION SECURITY BREACH AND NOTIFICATION ACT. Contractor shall comply with the provisions of the New York State Information Security Breach and Notification Act (General Business Law Section 899-aa; State Technology Law Section 208).

18. PROCUREMENT LOBBYING. To the extent this Agreement is a “procurement contract” as defined by State Finance Law Sections 139-j and 139-k, by signing this Agreement the Contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, NYSERDA may terminate the agreement by providing written notification to the Contractor in accordance with the terms of the agreement.

19. COMPLIANCE WITH TAX LAW SECTION 5-a. The following provisions apply to Contractors that have entered into agreements in an amount exceeding \$100,000 for the purchase of goods and services:

(a) Before such agreement can take effect, the Contractor must have on file with the New York State Department of Taxation and Finance a Contractor Certification form (ST-220-TD).

(b) Prior to entering into such an agreement, the Contractor is required to provide NYSERDA with a completed Contractor Certification to Covered Agency form (Form ST-220-CA).

(c) Prior to any renewal period (if applicable) under the agreement, the Contractor is required to provide NYSERDA with a completed Form ST-220-CA.

Certifications referenced in paragraphs (b) and (c) above will be maintained by NYSERDA and made a part hereof and incorporated herein by reference.

NYSERDA reserves the right to terminate this agreement in the event it is found that the certification filed by the Contractor in accordance with Tax Law Section 5-a was false when made.

20. IRANIAN ENERGY SECTOR DIVESTMENT. In accordance with Section 2879-c of the Public Authorities Law, by signing this Agreement, each person and each person signing on behalf of any other party certifies, and in the case of a joint bid or partnership each party thereto certifies as to its own organization, under penalty of perjury, that to the best of its knowledge and belief that each person is not on the list created pursuant to paragraph (b) of subdivision 3 of [section 165-a of the State Finance Law](#) (See www.ogs.ny.gov/about/regs/ida.asp).

EXHIBIT C

NYSERDA PROMPT PAYMENT POLICY STATEMENT

504.1. Purpose and Applicability.

(a) The purpose of this Exhibit is to provide a description of Part 504 of NYSERDA's regulations, which consists of NYSERDA's policy for making payment promptly on amounts properly due and owing by NYSERDA under this Agreement. The section numbers used in this document correspond to the section numbers appearing in Part 504 of the regulations.⁹

(b) This Exhibit applies generally to payments due and owing by the NYSERDA to the Contractor pursuant to this Agreement. However, this Exhibit does not apply to Payments due and owing when NYSERDA is exercising a Set-Off against all or part of the Payment, or if a State or Federal law, rule or regulation specifically requires otherwise.

504.2. Definitions. Capitalized terms not otherwise defined in this Exhibit shall have the same meaning as set forth earlier in this Agreement. In addition to said terms, the following terms shall have the following meanings, unless the context shall indicate another or different meaning or intent:

(a) "Date of Payment" means the date on which NYSERDA requisitions a check from its statutory fiscal agent, the Department of Taxation and Finance, to make a Payment.

(b) "Designated Payment Office" means the Office of NYSERDA's Controller, located at 17 Columbia Circle, Albany, New York 12203.

(c) "Payment" means payment properly due and owing to Contractor pursuant to Article IV of this Agreement.

(d) "Prompt Payment" means a Payment within the time periods applicable pursuant to Sections 504.3 through 504.5 of this Exhibit in order for NYSERDA not to be liable for interest pursuant to Section 504.6.

(e) "Payment Due Date" means the date by which the Date of Payment must occur, in accordance with the provisions of Sections 504.3 through 504.5 of this Exhibit, in order for NYSERDA not to be liable for interest pursuant to Section 504.6.

(f) "Proper Invoice" means a written request for Payment that is submitted by a Contractor setting forth the description, price or cost, and quantity of goods, property or services delivered or rendered, in such form, and supported by such other substantiating documentation, as NYSERDA may reasonably require, including but not limited to any requirements set forth in this Agreement; and addressed to NYSERDA's Controller,

marked "Attention: Accounts Payable," at the Designated Payment Office.

(g)

(i) "Receipt of an Invoice" means:

(A) if the Payment is one for which an invoice is required, the later of:

(1) the date on which a Proper Invoice is actually received in the Designated Payment Office during normal business hours; or

(2) the date by which, during normal business hours, NYSERDA has actually received all the purchased goods, property or services covered by a Proper Invoice previously received in the Designated Payment Office.

(B) if the Agreement provides that a Payment will be made on a specific date or at a predetermined interval, without having to submit a written invoice the 30th calendar day, excluding legal holidays, before the date so specified or predetermined.

(ii) For purposes of this subdivision, if the Agreement requires a multifaceted, completed or working system, or delivery of no less than a specified quantity of goods, property or services and only a portion of such systems or less than the required goods, property or services are working, completed or delivered, even though the Contractor has invoiced NYSERDA for the portion working, completed or delivered, NYSERDA will not be in Receipt of an Invoice until the specified minimum amount of the systems, goods, property or services are working, completed or delivered.

(h) "Set-off" means the reduction by NYSERDA of a payment due a Contractor by an amount equal to the amount of an unpaid legally enforceable debt owed by the Contractor to NYSERDA.

504.3. Prompt Payment Schedule. Except as otherwise provided by law or regulation or in Sections 504.4 and 504.5 of this Exhibit, the Date of Payment by NYSERDA of an amount properly due and owing under this Agreement shall be no later than thirty (30) calendar days, excluding legal holidays, after Receipt of a Proper Invoice.

504.4. Payment Procedures.

(a) Unless otherwise specified in this Agreement, a Proper Invoice submitted by the Contractor to the Designated Payment Office shall be required to initiate payment for goods, property or services. As soon as any invoice is received in the Designated Payment Office during normal business hours, such invoice shall be date-stamped. The invoice shall then promptly be reviewed by NYSERDA.

(b) NYSERDA shall notify the Contractor within fifteen (15) calendar days after Receipt

of an Invoice of:

- (i) any defects in the delivered goods, property or services;
- (ii) any defects in the invoice; or
- (iii) suspected improprieties of any kind.

(c) The existence of any defects or suspected improprieties shall prevent the commencement of the time period specified in Section 504.3 until any such defects or improprieties are corrected or otherwise resolved.

(d) If NYSERDA fails to notify a Contractor of a defect or impropriety within the fifteen (15) calendar day period specified in subdivision (b) of this section, the sole effect shall be that the number of days allowed for Payment shall be reduced by the number of days between the 15th day and the day that notification was transmitted to the Contractor. If NYSERDA fails to provide reasonable grounds for its contention that a defect or impropriety exists, the sole effect shall be that the Payment Due Date shall be calculated using the original date of Receipt of an Invoice.

(e) In the absence of any defect or suspected impropriety, or upon satisfactory correction or resolution of a defect or suspected impropriety, NYSERDA shall make Payment, consistent with any such correction or resolution and the provisions of this Exhibit.

504.5. Exceptions and Extension of Payment Due Date. NYSERDA has determined that, notwithstanding the provisions of Sections 504.3 and 504.4 of this Exhibit, any of the following facts or circumstances, which may occur concurrently or consecutively, reasonably justify extension of the Payment Due Date:

(a) If this Agreement provides Payment will be made on a specific date or at a predetermined interval, without having to submit a written invoice, if any documentation, supporting data, performance verification, or notice specifically required by this Agreement or other State or Federal mandate has not been submitted to NYSERDA on a timely basis, then the Payment Due Date shall be extended by the number of calendar days from the date by which all such matter was to be submitted to NYSERDA and the date when NYSERDA has actually received such matter.

(b) If an inspection or testing period, performance verification, audit or other review or documentation independent of the Contractor is specifically required by this Agreement or by other State or Federal mandate, whether to be performed by or on behalf of NYSERDA or another entity, or is specifically permitted by this Agreement or by other State or Federal provision and NYSERDA or other entity with the right to do so elects to have such activity or documentation undertaken, then the Payment Due Date shall be extended by the number of calendar days from the date of Receipt of an Invoice to the date when any such activity or documentation has been completed, NYSERDA has actually received the results of such activity or documentation conducted by another entity, and any deficiencies identified or issues raised as a result of such activity or

documentation have been corrected or otherwise resolved.

(c) If an invoice must be examined by a State or Federal agency, or by another party contributing to the funding of the Contract, prior to Payment, then the Payment Due Date shall be extended by the number of calendar days from the date of Receipt of an Invoice to the date when the State or Federal agency, or other contributing party to the Contract, has completed the inspection, advised NYSERDA of the results of the inspection, and any deficiencies identified or issues raised as a result of such inspection have been corrected or otherwise resolved.

(d) If appropriated funds from which Payment is to be made have not yet been appropriated or, if appropriated, not yet been made available to NYSERDA, then the Payment Due Date shall be extended by the number of calendar days from the date of Receipt of an Invoice to the date when such funds are made available to NYSERDA.

504.6. Interest Eligibility and Computation. If NYSERDA fails to make Prompt Payment, NYSERDA shall pay interest to the Contractor on the Payment when such interest computed as provided herein is equal to or more than ten dollars (\$10.00). Interest shall be computed and accrue at the daily rate in effect on the Date of Payment, as set by the New York State Tax Commission for corporate taxes pursuant to Section 1096(e)(1) of the Tax Law. Interest on such a Payment shall be computed for the period beginning on the day after the Payment Due Date and ending on the Date of Payment.

504.7. Sources of Funds to Pay Interest. Any interest payable by NYSERDA pursuant to Exhibit shall be paid only from the same accounts, funds, or appropriations that are lawfully available to make the related Payment.

504.8. Incorporation of Prompt Payment Policy Statement into Contracts. The provisions of this Exhibit shall apply to all Payments as they become due and owing pursuant to the terms and conditions of this Agreement, notwithstanding that NYSERDA may subsequently amend its Prompt Payment Policy by further rulemaking.

504.9. Notice of Objection. Contractor may object to any action taken by NYSERDA pursuant to this Exhibit that prevents the commencement of the time in which interest will be paid by submitting a written notice of objection to NYSERDA. Such notice shall be signed and dated and concisely and clearly set forth the basis for the objection and be addressed to the Vice President, New York State Energy Research and Development Authority, at the notice address set forth in Article XIX of this Agreement. The Vice President of NYSERDA, or his or her designee, shall review the objection for purposes of affirming or modifying NYSERDA's action. Within fifteen (15) working days of the receipt of the objection, the Vice President, or his or her designee, shall notify the Contractor either that NYSERDA's action is affirmed or that it is modified or that, due to the complexity of the issue, additional time is needed to conduct the review; provided, however, in no event shall the extended review period exceed thirty (30) working days.

504.10. Judicial Review. Any determination made by NYSERDA pursuant to this Exhibit that prevents the commencement of the time in which interest will be paid is subject to judicial

review in a proceeding pursuant to Article 78 of the Civil Practice Law and Rules. Such proceedings shall only be commenced upon completion of the review procedure specified in Section 504.9 of this Exhibit or any other review procedure that may be specified in this Agreement or by other law, rule, or regulation.

504.11. Court Action or Other Legal Processes.

(a) Notwithstanding any other law to the contrary, the liability of NYSERDA to make an interest payment to a Contractor pursuant to this Exhibit shall not extend beyond the date of a notice of intention to file a claim, the date of a notice of a claim, or the date commencing a legal action for the payment of such interest, whichever occurs first.

(b) With respect to the court action or other legal processes referred to in subdivision (a) of this section, any interest obligation incurred by NYSERDA after the date specified therein pursuant to any provision of law other than Public Authorities Law Section 2880 shall be determined as prescribed by such separate provision of law, shall be paid as directed by the court, and shall be paid from any source of funds available for that purpose.
